MEMORANDUM FOR RECORD

SUBJECT : [REDACTED]

REFERENCE: Memo from [REDACTED] to Military Personnel
Division dated 5 December 1955.

1. Information was received from Military Personnel Division [REDACTED] that [REDACTED] had been turned down for consideration for this Agency by the Air Force. They indicated that [REDACTED] had just completed a recent tour with this organization and that he would be further entitled to relocation allowance if consideration was given at this time.

2. In view of the above information, we were informed that no action has been taken to have [REDACTED] further considered for this Project. In the meantime, two additional military personnel have been nominated for the position for which [REDACTED] had been considered. In view of these nominations and the fact that the Air Force had turned down the CIA request for subject's services, we have cancelled our interest in [REDACTED]
